In times of possible school closure, we are very aware that many families rely on us as a school for support. Over the coming days and weeks, you may have concerns for the physical or emotional health of your child, and may possibly need extra support as a family unit.

Please find below a list of services, which you may find useful, with contact details.

Individual contact cards have been given to students who regularly receive extra support in school, whether they are Young Carers, engaged with Children's Social Care or on the Record of Need. For those students who are currently absent the cards will be posted.

We are aware that we all find ourselves in very challenging times at the moment. Even though the school may be closed we want to assure you that we will do everything we possibly can to continue to support our Penrice families.
